

# Stats 100C – Linear Models

University of California, Los Angeles

Duc Vu

Fall 2021

This is stats 100C – Linear Models taught by Professor Christou. There is not an official textbook used for the course. Instead, handouts and reference materials are distributed and can be accessed through the class [website](#). You can find other math/stats lecture notes through my personal [blog](#). Let me know through my [email](#) if you notice something mathematically wrong/concerning. Thank you!
